The Clerk read a protest signed by thirty-six owners of real property residing in the district affected thereby against the construction of a winery in the Northwest corner of Block 69 of the Lodi Barnhart Tract. There being no application for the building permit before the Council at this time, the protest was ordered filed until such time as the application would be before the Council for consideration. The Councilmen individually expressed themselves as being opposed to the construction of such a plant within the City limits.

Ordinance No. 154 was then regularly passed, adopted and ordered to print by the following vote:

The Mayor then signed and approved said Ordinance No. 227.

Mr. C. E. Stemler addressed the Council in regard to the annexation of that part of the Lodi Barnhart Tract lying South of Poplar Street and also in regard to the non-enforcement of Ordinance No. 216 relating to the hours and prices for barber shops.

The Council informally recorded its opinion as being opposed to any effort to secure a portion of the county gasoline tax fund for city street improvement at this time.

No further business appearing at this time the City Council adjourned to the day and hour of its next regular meeting.
